

We are looking for a few good skaters!!! Interested?????

The **Mentor Ice Diamonds** Currently have **openings** on the following Teams:

Youth Team.....4 spots available

Teen Team 2 spots available

We are also looking for skaters Pre Juvenile or Higher and Former Jr. Classic Ice Diamonds to form a third team. Practices for this team would be once a week on Sunday afternoons, so a minimal time commitment would be required. This team would start practice in October and continue through March of 2005. They would travel to 4 competitions this year.

This is a great way to try out synchro without making a huge commitment. Please give us a try.
