Showcase Events

- Open to skaters in Basic, Free Skate, Beginner through Preliminary and Adult Bronze
- Groups will be divided by the number of entries and ages if possible.
- Vocal music is permitted.
- Skaters must enter at the same level as their free skate event or highest test level of skaters in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.
- Show costumes are permitted, as long as they do not touch or drag on the ice.
- Props and scenery must be placed and removed by unaided singles within one minute.
- A .2 deduction will be assessed by the referee against each judges’ mark for each 5 seconds in excess of the time allowed for performance, for handling props and scenery and for scenery assistance.
- Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements.
- Unintended falls, poorly executed skating elements and obvious losses of control will reduce the contestant’s marks.
- Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence.
- Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.
- 6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.
